3:10 – 5:00 PM

A Roadmap for the Future of an Integrated Approach to Drug Development:

Round Table Discussion: All hands working session around a number of topics leading to actionable plan for stakeholders, collaborators, and Canines-N-Kids Foundation

Priorities:

- What are the most immediate needs to facilitate this work?
- What are the most important needs of the community?
- Specific opportunities for each stakeholder (pediatric oncology, veterinary oncology, philanthropic organizations, for-profit research, pharmaceutical industry) □ What are the most promising areas of collaboration moving forward?

5:00 PM

Official Meeting Adjourns

5:00 – 5:45 PM

Reception (for participants who can stay and Board)

5:45 – 6:30 PM

Board Debriefing
